RMC PROPERTY GROUP FULLY LEASES PRIME SOUTH TAMPA RETAIL PROPERTY

Tampa, Fla. (November 3, 2015) – RMC Property Group (“RMC”) has successfully leased the 18,276 Sq. Ft. property located at 201 S Dale Mabry Hwy, Tampa, FL 33609 to 100% occupancy. CycleBar, a Cincinnati-based luxury boutique fitness concept, leased the last available 2,680 Sq. Ft. space at the property.

The property’s location has garnered a lot of interest, but because of the strong south Tampa market and the property’s desirable location in one of Tampa’s strongest retail submarkets, RMC has been very strategic in selecting the perfect fit to optimize the merchant mix. The addition of CycleBar alongside the two current, national anchors – Thomasville Furniture and Pei Wei Asian Diner – was an ideal match that positions the property as a mixed-use one-stop shop.

“Tampa is an active, vibrant area where residents and visitors alike look for creative, social ways to stay in shape,” said Michelle Bennett, Marketing Director. “CycleBar fits into this community’s health and fitness lifestyle while making the experience fun for both new and experienced riders.”

“RMC strategically marketed the property to potential tenants who fit our merchandising plan. It was important for us to fill the space with a unique tenant that could flourish in the south Tampa submarket,” said Chris Stewart, Director of Leasing for RMC. “We are always proud when we can accomplish our leasing and marketing goals, while bringing a center to 100% occupancy.”

Luli Cannon, leasing agent with RMC, exclusively handled the leasing of 201 S Dale Mabry Hwy. To learn about other available opportunities, contact RMC at 813.960.8154 or visit www.RMCPG.com
